The 8th International Symposium on C–H Activation (ISCHA-8)

To: _____ ,

This is to certify that you are invited to participate in **The 8th International Symposium on C–H Activation (ISCHA-8)**, jointly organized by China Pharmaceutical University and Zhejiang University, to be held in Nanjing, Jiangsu Province, China, from July 9 to 13, 2026. The symposium is co-chaired by Prof. Gong Chen and Prof. Bing-Feng Shi.

The symposium provides an international forum for researchers to exchange the latest advances in C–H activation and catalytic transformations, including transition-metal-catalyzed C–H functionalization, radical chemistry, asymmetric catalysis, reaction mechanisms, and related applications.
